DETAILED ACTION

Response to Arguments

The applicant's amendment from 9-2-04 overcomes the examiner's prior art rejection. **Hence claims 1-4, 7-13, 15-18 and 20-21 are allowed.**

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. The claims recite highly specific designs which, in the examiner's opinion, are novel over the prior art of record.
2. The applicant has amended per the examiner's instruction by adding objected-to material to each of the independent claims thereby making them novel/allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
